

NOTICE TO ALL LEISURE VILLAGE RESIDENTS
FOR THE PROTECTION AND SAFETY OF ALL RESIDENTS
THE RECREATION CENTER IS CLOSED TO ALL ACTIVITIES
Hopefully, only for two to three weeks

We understand you may have questions and concerns regarding the Coronavirus (COVID-19).

We encourage everyone to educate themselves on the virus and follow the World Health Organization (WHO) and The Centers for Disease Control and Prevention (CDC) recommendations and take precautions to lower exposure risk. Both of these have been posted on the Leisure Village website at:

www.leisurevillagefoxlake.com

These recommendations include:

- *Washing your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.*
- *Avoid touching your eyes, nose, and mouth with unwashed hands.*
- *Avoid close contact with people who are sick.*
- *Stay home when you are sick.*
- *Cover your cough or sneeze with a tissue, then throw the tissue in the trash.*
- *Clean and disinfect frequently touched objects and surfaces.*
- *Limit travel to high risk areas.*

The staff will continue to work. Please call the Association office with your request.

Thank you and we are sorry for any inconvenience this may cause you! Your safety is our number one concern at this time.
